

WGTF ANNOUNCES TOP 100 TEACHERS FOR 2018-2019

Every two years, the WGTF names its Top 100 Teachers worldwide. It is the only worldwide ranking of golf teachers in existence. Nominations are made by various WGTF presidents and their federations, along with individual members. Those who make the Top 100 are selected for their teaching acumen and success, as well as their contributions to the game and to the WGTF. They must also have attained the rank of Certified Golf Teaching Professional®.
